Tension Fabric Banner Stands

### PARTS INCLUDED

### PRODUCT DESCRIPTION

The Tension Fabric Banners simplistic snap and click frame technology streamlines the set up process. The sturdy steel base and aluminum frame ensures that the structure will maintain its shape.

### GRAPHIC REMOVAL

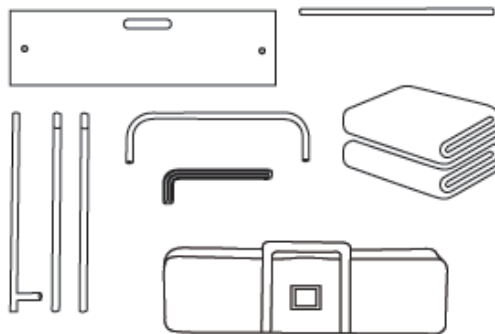

1. Remove the graphic by pulling the pillowcase style fabric upward until it is fully off of the frame.

# SET UP INSTRUCTIONS

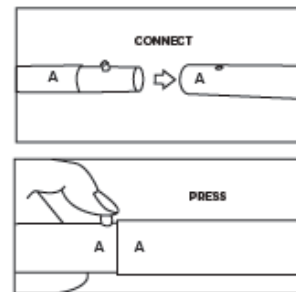

## BANNER DISPLAYS

### Tension Fabric Banner Stands

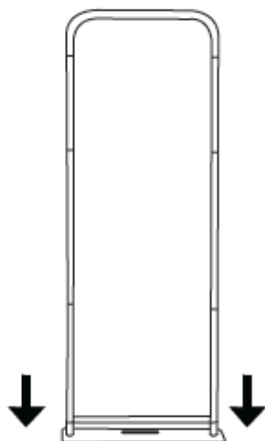

- 1** Remove all of the components from the carry case.

- 2** Find all of the corresponding tubes and press down the button until you hear a click. Tubes are labeled to match.

- 3** Once the frame is assembled attach the frame to the base by screwing them together.

- 4** Once the frame is fully assembled with the base, you can now take the pillowcase fabric and place it over the top of the frame and the fabric downward to cover the entire frame.
