

FRAME ASSEMBLY

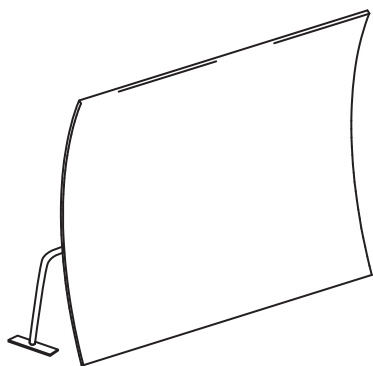

STEP 1

Find the corresponding tubes and press down the button until it clicks into place. Tubes are labeled to match. Do not attach leg pieces yet.

STEP 2

Add the pillowcase fabric graphic over the assembled frame and pull the legs through the holes.

STEP 3

Close the zipper located at the bottom of the graphic.

STEP 4

Attach legs to the corresponding tubes on main body frame and attach feet to the bottom of the leg tubes. Stand it upright.
